Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. From the intro: "Some two years ago, Oahspe was mechanically written through my hands by some other intelligence than my own. Many Spiritualists are acquainted with this automatic movement of the hands, independent of one's own volition. There are thousands and thousands of persons who have this quality. It can also be educated, or rather, the susceptibility to external power can be increased. In my own case I discovered, many years ago, when sitting in circles to obtain spiritual manifestations, that my hands could not lie on the table without flying off into these "tantrums." Often they would write messages, left or right, backward or forward; nor could I control them any other way than by withdrawing from the table. Sometimes the power thus baffled would attack my tongue, or my eyes, or my ears, and I talked and saw and heard differently from my normal state. Then I went to work in earnest to investigate spiritualism, and I investigated over 200 mediums, travelling hundreds and hundreds of miles for this purpose. Often I took them to my own house, and experimented with them to my heart's content. I found that nearly all of them were subject to this involuntary movement of the hands, or to entrancement. They told me it was angels controlling them. In course of time, about ten or fifteen years, I began to believe in spiritualism. But I was not satisfied with the communications; I was craving for the light of heaven. I did not desire communications from friends or relatives, or information about earthly things; I wished to learn something about the Spirit world; what the angels did, how they travelled, and the general plan of the universe. So after...
