SCHOOL ORGANISATION AND MANAGEMENT

2005. Hardcover. Condition: New. 302 It is widely recognised that one of the key factors influencing school effectiveness is the nature and quality of the leadership and management provided by school administrators. The present volume has been written to provide the school heads with a source of practical ideas about ways in which they may become better managers of better schools. The book is written primarily for practicing school heads of both primary and secondary schools, whether government or private,...

This sort of pdf is almost everything and taught me to hunting ahead of time and a lot more. It is writter in basic terms and not hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
